

Department of Clinical Haematology
Oxford BMT Programme

**INSTRUCTIONS FOR SENDING A SAMPLE FOR HLA TYPING VIA PHLEBOTOMY at
the CHURCHILL HOSPITAL**

1. Please find enclosed 2 EDTA sample tubes and a HLA (Tissue Typing) request form.
2. Please handwrite name, DOB and date on each tube.
3. Please send the samples and request form internally in the usual way.
4. Please save the blue safeBOX and call Shirley Hudson, BMT Administrator on ext 23486 or email Shirley.hudson@ouh.nhs.uk so that she can collect it.

NB. This test is not on EPR. There is a local agreement that the test can be taken without an EPR request. Please contact Helen Disley Sister OPD or Mandy Ellis Bone Marrow Transplant Senior Nurse Specialist /Co-ordinator via OUH e mail if there are any issues.
