Dear Dr

Re: *patient, name, address, DOB.NHS No:*

This patient had an autologous stem cell transplant on ***date of day 0.***

I would be grateful if you could arrange for this patient to attend your surgery to start their post-transplant immunisation schedule. The earliest this can commence is from 3 months after the date above, during the flu season (see date above).

If you require any further information please do not hesitate to contact the Administrator for the BMT Nurses: 01865 223486.

Yours sincerely,

On behalf of the Haematology Team
