

Myeloma MDT Referral Instructions

To refer a patient to the Thames Valley Cancer Network Myeloma Multi-disciplinary Team (MDT) Meeting:

1. Go to the TSSG Website Myeloma section: <http://nssg.oxford-haematology.org.uk/myeloma/myeloma.html>
2. Download the blank Myeloma MDT Referral Proforma to your computer.
3. Rename the file:
 - a. **surname_firstname_dd_mm_yyyy** [dd_mm_yyyy = today's date]
 - b. E.g. **vallance_grant_02_05_2013.pdf**
4. Complete the referral section of the proforma.
5. Save.
6. Send the completed form as an email attachment by **nhs.net** to the MDT coordinator at: myelomamdtnhs.net

NB The ACE27 Comorbidity *form* is no longer part of the referral proforma. However, it is available on the website for completion and submission as above if desired.

The ACE27 Comorbidity *score* must still be filled in as per part of the referral (it is a compulsory COSD element).
