Dear

**Re: Patient Name**

Thank you for agreeing to have a blood sample taken to see if you could be a suitable donor for your relative.

The result shows that you are **not a tissue type match** for your relative so unfortunately you would not be a suitable donor.

We realise that this may not be the result that you were hoping for and if you have any questions or concerns, please do not hesitate to contact the Administrator for the BMT Team on 01865 223486.

Yours sincerely
